

Health & Safety Statement

Alchemize Ltd recognise their duty to comply with Health and Safety Law and is committed to preventing all accidents.

In order to meet this commitment our company policy is:

To observe and comply with site safety rules wherever we are working.

To ensure all our employees, and sub-contractors are suitably trained and qualified to undertake the work.

To identify hazards and reduce risks where practicable.

To ensure that all employees and sub-contractors are aware of their responsibilities.

To establish safe working procedures, review and up-date as necessary.

To ensure that all accidents incidents and near misses are reported and investigated and that suitable corrective and preventive action is identified and implemented to drive a culture of continuous improvement of Health and Safety practices.
